Thompson Elite Seatpost

Specialized BG (Ladies) Saddle

Description: This is bike is a really good all-rounder & is suitable for both XC and AM/Trail riding – *you could race either XC, Marathon's or Enduro on this bike*. Great Specialized FSR suspension (*fork & shock serviced in Oct with OC Tuning*) & great geometry for climbing & descending. This bike is in really good nick with just the usual scratches (one careful lady owner). You wouldn't need to change anything on this bike – it has been regularly service in MBW and is running perfectly.
